09 January 2017

Dear Dingzhen

Invitation to the University of Bath, September 2017

I am glad to invite you to visit my group at the University of Bath between 1 September 2017 and 5 September 2017. This visit will follow up our previous conversation and planning in Beijing in 2016. I hope you will be willing to give a seminar in my department on your research work with the giant panda, and meet my students including Narhulan Halimbeke, one of your former Master students.

I understand that you will cover your travel and living expenses whilst visiting us at the University of Bath.

Look forward seeing you.

Best regards,

Tamás Székely
Professor of Biodiversity
