07 January 2017

Dear Professor Dingzhen Liu

Visiting the University of Oxford, September 2017

I am delighted to hear that you making plans to come to the Chemical Signals in Vertebrates meeting in Cardiff in August 2017. I will be attending the meeting.

I would be very happy for you to visit me at Oxford University right after the meeting. I should be able to arrange for you to give a seminar in Oxford, likely on Monday 4th September.

I am looking forward to hearing more detail about the research you and colleagues have been doing. I have been following your publications with interest.

A handwritten signature in black ink that reads "Tristram Wyatt".

Best wishes

Dr Tristram Wyatt
